

PURE DEFENSE™ Comprehensive Whole Body Defense System for Immune Support

Pure Defense™ represents state-of-the-art, nutritional support for optimal immune responsiveness. We've carefully researched and qualified the finest, premium quality standardized ingredients to provide the greatest value and highest efficiency per capsule.

THE WORLD'S ONLY STABILIZED ALLICIN

Stabilized Allicin represents a technological breakthrough in the delivery of garlic's broad spectrum activity. Pure Defense™ contains the world's first and only certified stable Allicin, produced under a patented process.

TRANSFER FACTORS + MORE

Pure Defense™ combines the individual benefits of Transfer Factor, Colostrum, Immunoglobulins and Lactoferrin which are well documented in the scientific literature.

NUTRACEUTICAL MUSHROOMS

Research on the unique bioactive compounds in various nutraceutical mushrooms continues to provide insights into their health promoting benefits. Pure Defense™ contains 7 well-documented species produced in the US with mycologist supervision under controlled conditions and enzymatically activated for optimal benefit. *Pure Defense's™ mushroom blend is certified organic, vegetarian and kosher.*

HYDROXYTYROSOL + OLIVE EXTRACT

Research indicates Hydroxytyrosol has 6 times the potency of Oleuropein. Pure Defense™ contains an unparalleled 7% Hydroxytyrosol olive extract, which scored the highest ORAC value in comparative tests of olive extracts.

HIGH MOLECULAR WEIGHT ALOE

Over a decade of research has validated the significance of High Molecular Weight Aloe fractions. The molecular weight specification and purity for the 200:1 Aloe extract selected for Pure Defense™ meets the stringent standards of the International Aloe Science Council.

IMMUNE SUPPORTING BOTANICALS

Pure Defense™ contains over a dozen additional botanical extracts recognized for their immune support benefits, including: Andrographolide, Oregano Oil, Astragalus, Eleuthero root, Pine Bark, Rhodiola, Withania, Turmeric, & Milk Thistle.

SUGGESTED USE:

Take 2 Pure Defense™ capsules daily to start. After 2 weeks, taper to 1 capsule/day or as directed by a healthcare professional. Take at the first sign of seasonal stress, before air travel, travel to foreign countries, during intensive training/exercise & anytime greater demand is placed on the immune system.

Summary of Benefits*

- Concentrated for highest efficiency per capsule
- Equivalent to over 11 classes of immune products
- Evidence-based formulation
- Excellent for people who travel
- Prescribed by physicians & used clinically
- Comprehensive immune support formula

PURE DEFENSE™ REPLACES OVER 11 SEPARATE CLASSES OF IMMUNE SUPPORT PRODUCTS:

1. Stabilized Allicin
2. Transfer Factor
3. Colostrum/Immunoglobulin/Lactoferrin
4. Nutraceutical Mushroom extracts
5. Larch Arabinogalactan & other polysaccharides
6. Andrographolide
7. Oregano Oil
8. Astragalus, Rhodiola & related botanicals
9. Olive Leaf Extract, specifically Hydroxytyrosol
10. High molecular weight Aloe Vera fractions
11. Isatis, withanolides, Curcuminoids, Forsythia, etc.

Supplement Facts

Serving Size: 2 Capsules
Servings Per Container: 30

Amount per Serving	% Daily Value
Zinc (Picolinate, Krebs acids, Citrate) from AlliZin™	4 mg 27%
Selenium (L-selenomethionine)	30 mcg 43%
Vanadium (Vanadyl sulfate)	50 mcg +
Olive leaf extract std. to 7% hydroxytyrosol	250 mg +
Allicin (180 mg Allisure garlic extract) from AlliZin™	300 ppm +
Proprietary Mushroom extract blend containing:	270 mg +
Cordyceps sinensis	
Reishi (Ganoderma lucidum)	
Maitake (Grifola frondosa)	
Coriolus (Trametes versicolor)	
Hericium erinaceus	
Shiitake (Lentinula edodes)	
Himematsutake (Agaricus blazei)	
Cellulase	
Pure Defense™ Proprietary Base:	1,056 mg +
Pure Defense™ Proprietary Base: Bovine transfer factors & Immunoglobulin concentrate + Avian oligoribonucleotides & a proprietary blend of peptidoglycans, teichoic & lipoteichoic acids with Supernatant from <i>B. bifidus</i> & <i>L. acidophilus</i> from billions of live probiotic cells at the time of manufacture, Astragalus membranaceus root extract, Rhodiola rosea root extract std. to rosavins & salidroside, Aloe vera extract 200:1, Larch arabinogalactan gum, Activated Lactoferrin , Chinese privet fruit extract, Ashwagandha root extract std. to withanolides, Milk Thistle seed 80% silymarin, Chinese lovage root extract, Siberian Eleuthero root extract, Licorice root extract, Andrographis paniculata leaf extract std. to andrographolide , Pine Bark extract, Oil of organic Oregano std. to carvacrol, Turmeric rhizome extract 95% curcuminoids, Isatis root extract, Forsythia fruit extract.
